- * Annual Percentage Rate (APR) based on following assumptions:
- No cash out, refinance transaction
 - Loan-to-value (LTV) of 75% or lower (70% LTV for Jumbo Mortgages)
 - Credit score of 720 or better

Interest Rates and APRs may vary depending on any or all of the following factors: points, loan amount, credit quality (credit score), property occupancy status, loan-to-value ratio, and type of product/transaction. Payments do not include amounts for taxes and insurance payments. If applicable, actual payment obligation will be greater.
