

Thank you for your interest in a Glenview State Bank Mortgage Loan.

Upon completion of the mortgage application or if you have any questions, please call 847-729-1900 to speak with a Real Estate Loan Officer. We look forward to helping you with your mortgage loan.

Following is some important information you should be aware of as you begin your application process

1. **Home values** → Home values have decreased across the country, including our immediate area, and the change in appraised values can and will have an effect on subordination requests, loan amount requests, and even the rate you are eligible for.
2. **Subordination Requests** → For those applicants requesting a subordination (for example, applying for mortgage with GSB and maintaining a home equity loan elsewhere), there are fees involved in having your request granted AND requests can currently take up to 30 days to process. You should be aware of this and check with your home equity lender to determine their costs and guidelines in granting subordination requests.
3. **Freddie Mac Guidelines** → GSB services all of our Conventional Mortgage Loans, which is vitally important to you during the course of your loan, especially when you have questions, issues, etc. We currently sell the actual loans to Freddie Mac. Four important items you should be aware of:
 - Your rate will not automatically be locked when you apply for your loan. In most cases, an appraisal must be completed before a rate can be locked. Please be aware that rates can change during this period. In addition, failure to submit any required supporting documents may also delay the lock-in process.
 - When you are eligible to lock your rate, and choose to do so, you will be required to sign a lock in form. Once the rate lock-in form is signed by the borrower, and accepted by Glenview State Bank, neither party can change the rate, regardless of the changes in the market.
 - Rates can change throughout the day. Rates can be locked daily, Monday - Saturday, during bank lobby hours only.
 - Our published rates are based on Freddie Mac's standard guidelines. Risk based factors, such as credit score, if you are receiving cash back, and the appraised value of your home can result in a higher rate.

On the next page we've listed the documentation we will or may ask you to submit as part of your mortgage application.

Purchase Application Documentation Requirements:

- Copy of Fully Executed Real Estate Contract (including names and telephone numbers of all attorneys and real estate brokers involved in the transaction)
- Copies of any Earnest Money checks issued
